

## International Classification of Diseases, 11th Revision (ICD-11)

Dear IHS member

Headache classification has got a prominent position in the forthcoming Classification of Diseases edition 11 (ICD-11).

It is now time to help the WHO to field test the classification. If you are interested in participating to this process, please register as headache expert [HERE](#). There you also find more explanation.

Yours sincerely  
Peter Goadsby Jes Olesen
